APPLICATION FOR MEMBERSHIP

The Museum is a progressive non-profit organisation, operated solely by Volunteers. It offers a friendly atmosphere and the comradeship of like minded individuals to its members.

The South Australian Aviation Museum (SAAM) is recognised as an accredited Museum by the History Trust of South Australia. It is an organisation dedicated to preserving South Australian aviation history and is managed by a member elected Committee of nine, responsible to the members. The museum is staffed by volunteers (the members) and is funded primarily by the entry fees of the visiting public, sales from its in-house shop and Government Grants that may apply.

Membership is open to any interested person and is based on the needs of the Museum, subject to the approval of the Committee. If your application is refused, it will remain on file for re-assessment by the Committee if/when circumstances and Museum requirements change. Re-application is therefore not necessary.
